### **School Organisation Proposal: Change of age range**

Dear Parents, Carers, Staff, Governors and other stakeholders,

I am writing to advise you that Birmingham City Council is developing a proposal in collaboration with the school leadership team and Governing Body of Highfield Nursery School to make the following change to Highfield Nursery School:

- Change the lower age range of the school from 2 to 5 years to 9 months to 5 years
- Effective from 1<sup>st</sup> September 2025

Highfield Nursery School is a community school which offers 112 full time equivalent places (split across 2 sites) and it was rated 'Good' by Ofsted in November 2023.

This letter is to notify stakeholders and provide an opportunity to submit any immediate questions or comments by letter or email using the details at the bottom of this letter and no later than 7<sup>th</sup> March 2025. This stage of the process is the informal consultation known as the "pre-publication" period. After the pre-publication period, the Council intends to publish and consult on a complete statutory proposal document. We will write to you again with further details at that time.

Yours sincerely,

**Emma Bourne**
